

## BUS TRANSPORTATION

We use traditional yellow school buses for our camp transportation. A Winding Trails Summer Day Camp sign will be on the bus. The pickup/drop off times will vary with traffic conditions, and possibly weather conditions. Please be sure your child is alert and at the pickup spot at least 10 minutes early on the first day of the session. Please indicate your child's bus stop *and bus color* on the Registration Page.

Your child will be placed on the bus and let off at the stop you designated on the Registration Card. ALL children will be put on the specified bus, unless the Camp Director receives written permission. **No child will be let off the bus unless a parent or legal guardian is at the stop or has indicated permission on the registration form.** Discipline problems on the bus will not be tolerated. If your child creates problems for other campers, staff or the bus driver, he/she will forfeit the right to ride the bus. Winding Trails will not be responsible for your child's transportation and will not refund the remaining camp fees.

*Please Note – Changes in bus stops must be made by noon the Wednesday prior to the start of each session.*
