Winding Trails, Inc. *Summer Day Camp*

Thanks for choosing to apply to work at the Winding Trails Summer Day Camp. Winding Trails Summer Day Camp, located in the heart of Farmington, is set on 350-acres of pristine woodland and is the summer home to more than eight-hundred campers. For over five decades, the Winding Trails Summer Day Camp has provided thousands of children from the Farmington community and many of the surrounding towns including Avon, Bristol, Hartford, Simsbury, Plainville, and Newington with a quality summer experience. Campers from the ages of 3-13 can enjoy over twenty different activities from swimming and soccer, to archery and arts and crafts. We have worked hard to provide a program committed to helping children meet new friends, develop new skills, enhance their self esteem and self reliance, learn an appreciation for the outdoors, and most of all, have fun.

Our camp program runs for eight weeks in the summer that is split-up into four separate two-week sessions. Our staff is required to be available for, at a minimum, seven of the eight weeks of the camp season. The full eight week commitment is preferred. Our staffing needs are changing daily and we can be looking to hire a number of different positions at any given time. Currently, the positions that we are looking to fill are:

- Unit Directors – *must be 20 or older*
- Assistant Unit Directors – *must be 18 or older*
- Program Specialists – *must be 19 or older*
 - ➔ Arts & Crafts, Archery, Soccer, Basketball, Nature, Dance, Boating Instructor, Music & Drama, Outdoor Living Skills
